“ I have known Chris for a very long time. As I had the "privilege" to cut his hair off when it was long. He at that point he turned from a young teenager to a very handsome young man. He always had that bright smile that not only made you smile it brought joy to be around him. You will never be forgotten. Keep smiling in Heaven Chris.

“ I met Chris when I was 15 or 16 at Newsome high school. We stayed very close til our mid 20s until life took us different roads. I have so many wonderful memories with him. We use to sit and talk alot of mornings at Davis park in his Honda fit for about a year. I spent many a time at his house with Wes, Caitlin and Joey playing video games and watching movies. His grandma always made us food but nothing compares to her grilled cheeses. He was such a pivotal person in our friend group. I'm missing him terribly and wish life didn't happen so fast. One day we can watch grandma's boy and eat grilled cheese buddy.

“ I think my favorite memory of Christopher as a boy was how he surprised me. On the outside he was a bundle of non stop energy....I think I even referred to him as the "energizer bunny", but at the same time, when you spoke to him, he was gentle, sweet and kind! God speed Christopher.
