“ *Granny, I will always love you and I miss you so much! I will never forget how you let me be your shadow and follow you around everywhere or how you would buy me anything I would ask for. I will never forget eating your ho-ho cakes or admiring your beautiful Christmas trees that you always decorated just right. Thank you for all you did for my Savannah. She loved you and I know you did her. I'm sad you won't be here to see her grow up, but I will tell her about all you did for her and me when she is older. You will always be my Granny Wiggins! I can't wait to see you again!*

“ *I couldn't have asked for a better mother-in-law! You took me in under your wing and taught a 16 yr old girl how to cook, iron, clean and put up with your son. But I didn't just "put up" with him, I learn how to love him deeply from your example. Although he has always had that tough exterior I knew that deep inside there was a softness in his heart because his mama put it there. Yes, he is a mama's boy and he misses you dearly, as do I, but you are no longer in pain and you are in the presence of our Lord. How awesome that must be! You also loved our children deeply and they, you. With Christina being your shadow and Ben your little buddy, you will always be cherished! I love you, mom. I will see you again but until then I'll hold you in my treasure chest of sweet memories.*

“ My memories with the Wiggins family are life long. "Uncle Jimmy and Aunt Clara " have always been a part of my life.

My childhood memories are the very best. Our families did EVERYTHING together. We are not related by blood, but we have always considered them Aunt, Uncle and cousins.

I will never forget camping at Hog Island, Friday night dinners, sleepovers, picking up eggs, hide and seek outside after dark and way too many memories to mention.

And...we enjoyed all these things as a group of thirteen, nine kids and four adults.

Of course as we got older, got married and had families of our own, we did not hang out as much. But, I could always count on a warm hug and a "love ya" every time I would see Aunt Clara. I would say the same to her, and I meant it! I will miss her dearly, but am so very happy to know she is no longer in any pain or discomfort, and is in the presence of our Lord.

Uncle Jimmy, I am so sorry for your loss, and want you to know how much I love you and your wonderful family. You all will continue to be in my prayers.

*Love,
Tonya*
