“ Clare had the most beautiful English accent. That’s what I first noticed. Then came her red hair, sparkling eyes and warm smile. I looked to her for guidance in her roles at work and shared many conversations about our lives.
Clare loved her family.
I know this is all about Gods timing, it just seems she would have had so much more to give.
My since condolences,
Maureen

“ Jon and Mark, you are in my thoughts and prayers! Your Mum was such a beautiful, kind and loving woman and in turn, was loved by all who knew her! She was one of the BEST friends I’ve had in my lifetime. We shared many vacations together and enjoyed every minute we had together.
Your Mum’s heart was sooo full of love for you both and spoke of you so frequently! I pray that, with time, you will be able to allow your memories of her make you smile! Love and hugs, Terri Cronk

“ *Clare, I want your sons to know that every day, working with you, was pure sunshine. When you encountered anyone, a smile came to their face. Your humor could only be outmatched by your passion to help our patients. You were my “war partner” when our patients had no one to fight for them. You continued the good fight with grace and a LOT of spunk. There is no doubt you purpose in this world. The amount of people you advocated for are more numerous than I think you even realized. I can’t believe the world doesn’t have you any longer. I suppose the saying is true; the good die young....and an angels’ home is in heaven. We will miss you, sister.*
