“ *Papaw was always there for us when we needed him, especially in the early years when we needed so much help fixing cars or broken pipes or building porches...whatever. We have so many precious memories of family time together. He could be feisty when you got him riled up, but could also be gentle and sweet and funny. He was always kind and generous to me, and I was blessed to have him as my father in law. Will miss him dearly. Cherry Kent*

“ It says to share a memory but I have many! I will never forget his smile and how his eyes squinted when he smiled. He had the kindest demeanor. He was the one uncle that i can remember from the beginning of time. I practically grew up at the Kent household. I have wonderful memories. Sending much love and prayers to my family.
