“ *The comfort of having an awesome aunt may be taken away, but not that of having had one. People will always forget what you said or forget what you did, but they will never forget how you made them feel. Aunt Claudette made me feel safe and happy when I felt alone and sad. She was the best at making me laugh and so easy to talk to. She was beautiful inside and out. I love you Aunt Claudette, I had wish I told you that more. Until we meet again. - Michelle, Steven, Katherine and Michael*
