“ I know today will be the hardest day you have ever faced. I love you all so much and can't find the words to say how heartbroken I am for you. The only comfort I can offer is in God. Know that you can cry out to him and he will hear you. Your Mom was a special lady and I have so many fond memories of her while we were growing up. Praying for strength and comfort today. Love you, Christie

Toni, Stacey, Crystal, and all of Claudia's extended family:

Claudia was a beautiful, fun-loving woman, always with a smile on her face. Although I have not been around her in a long time, whenever we saw each other, she always had a great big hug for me. Rejoice in the fact that she loved her family and life so much, and she is now in heaven with those that have gone before her.

Love to all, Jana Wetherington Mercer
