“ Clyde was like a father to me and he will always be my own personal hero. A hero is defined as a man of distinguished courage or ability, admired for his brave deeds and noble qualities. He was indeed all of these things to me. He stood beside me in my young adult life when things were not easy. He was an awesome example of what a true father should be, of what a loving husband should be, how to work hard and how to serve your nation. I will forever be indebted for his love and great influence. I cannot express how sadden I am with this loss. He will always remain in my heart. Mom, Tanya, Chris, Jimmy and Luke: I love you all very much. You will all be in my thoughts and prayers. All my love, Stacy Alford###imported-begin##Stacy Alford###imported-end##
