“ *Dearest Colt I miss you so much and think about you everyday , Friday we were laughing and now I can't look at a picture of you without tearing up. I considered you my brother and will always be so thankful to have met you. You gave me the biggest hug which took the wind out of me and now you're gone never to be forgotten. I know that I'll see you again and what I feel is no comparison to what your loving mother and father are dealing with. Bella falling asleep on your lap while tattooing me was priceless and I'm pretty sure your mom caught the tail end of that. The story of the Red Dinosaur we both realized had no end as Bella passed out mid sentence on your lap. We were silently screaming in laughter as she just slept against your heart. What a priceless moment. The silent laughter as we stared eye to eye still makes me howl even as I write this. My heart is broken and I miss you - Drew*

“ I knew you only for a breif time. A very gentle, kind man with a sweet spirit and a most creative gift of artistic talent. There are many who love you. The road ahead is much greater than the one you left behind. You were dearly loved and will be missed on this earthly plane. Rest in the arms of the Almighty.
