“Mom, I love you so much and I miss you. It will be hard to live life everyday without you by my side, you are my best friend. You have taught me so much in life; I have never met anyone as strong as you were. You fought so hard for so long and not once did you ever complain or use your health as a crutch. I hope I can be half the women that you were; you touched so many people in your life. I love you so much and you will be missed. I will cherish every moment we have had together. I just wished I had 1 more day with you. Love you always and forever, your daughter.”

“ To me you will always be Darlene!! The joy and laughter we shared growing up and riding Tonka to your barrell races, playing in your doll house and all our family get togethers are memories that will never be forgotten. It was like yesterday. How mad you would get at Aunt Edna cause I was never allowed to go to the dances with you and Sherri. LOL. I love you so deeply and will always remember you with a smile. I pray that you will be eternally happy with our family members there in heaven!! God Bless You!!!!!!

Connie was one of my many kids I called them at Birdsong Trailride in Tn. She got the fly swat many time for being naughty. She was a great friend and will be missed by many trail ride friends. She came every year from fl. and rode and danced all week. We had a good time and I considered her to be a great friend to me. I came to visit my friend Peggy and Connie always came and stayed a week also. We had many wonderful memories and I hope you have them also. She will be missed by everyone. God Bless you children and you will see her again. Judy, TN.

Connie leaves a mark on many people's hearts. My fondest memory is when she was riding in team penning and she lost her reins and her horse took off running around the arena faster than the wind and Connie stayed on!! She loved horses and I am sure she rode right through Heaven's gate where her loved ones were waiting for her. My prayers go out to her family. May God bless you all!!
