“ Mrs. Gaither, Cheryl and family, I offer you my deepest condolences for the loss of a sweet soul. I cannot image the sorrow that surrounds you during this difficult time. I treasure some great memories of my time spent with Connie during our teenage years as well as time spent with the family. May GOD grant you peace, comfort, healing and understanding for your grief. You will all be in my prayers and although I'm miles away, please call on me if there is anything I can do for the family.

With much love,

Bruce Carlisle

“ Dear Mrs. Gaither & family ~ I am so sorry and pray for God to hold you close and give you the peace that only He can. Connie is resting in peace with Him.

My heart broke when I received the call Saturday morning that Connie had passed away. I played Elton John's "Goodbye Yellow Brick Road", one of our favorites, and cried my heart out as all of the memories of us as teenagers played through my mind. We met in 7th grade and became inseparable as best friends. After I moved out of state, we began different journeys as most of us do, but Connie never left my heart. ❤️ Tracy Sparkman Cox
