“ *My Friend, We have so many great memories to cherish. I first met you working at Palm Harbor Homes and we became buds instantly, our camping/hunting trips to the Green Swamp, cookouts and so much more. Billi Jo still laughs today about you always having to drive her in the mud in your jeep with your beach shorts and flip flops so she wouldn't get dirty LOL..... I am so glad we cooked out a couple weeks ago and had good talks. We miss you so much. You were just at my house clearing land and I look out there each day now and see you in your tractor. Rest easy Buddy. We love you and miss you my friend.*
