“ Craig was a unique individual. I remember going shopping with him to Walmart. He would put his cane inside the shopping cart and push the cart around. Also, I do not know of any other person on the face of the earth that had more of a love for toilet paper than Craig!
😊 My prayers are for his family, particularly for his beloved mother.

“ Craig was very special and would always brighten your life when you were with him. He's always been an inspiration to me as a child and adult. He never let himself be hindered in any way and set an example of life the rest of us would do good to emulate. I will miss him tremendously but will always carry him in my heart.
