“ *She is gone*

*You can shed tears that she is gone
Or you can smile because she has lived*

*You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left*

*Your heart can be empty because you can't see her
Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday*

*You can remember her and only that she is gone
Or you can cherish her memory and let it live on*

*You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love
and go on.*

“ *Crystal...wow, I have had to say hello & goodbye to you in just 4 short months. I'm so honored to have known you. Your love for Laila and John was so inspiring. You were SO proud of the little family you and John had created. You were a mommy with your whole heart. John, my heart breaks for you. Hold that little girl near. Remind her how much her mommy loves her often, and I pray you never ever forget her love for you. You were her knight.*
