“ *Renus and I did not personally know Curtis. We knew that Curtis wanted to make sure his Rosie would be safe and Melody reached out to us. We had just lost our furbaby but when we heard his Rosie needed a home, we welcomed her to our home. After meeting Rosie, we felt as we also met Curtis. Rosie is such a sweet and loving dog, therefore, we knew Curtis loved her and gave her a wonderful, loving and great home and life! Curtis, your Rosie will be well taken care of by us and she will continue to know that she is loved and safe! Many prayers to the family and friends for your loss! Melody, thank you for reaching out to us and trusting us with Curtis' Rosie!*
