“ *My sweet grandma... so caring, loving, and supportive. She was always there when you needed to talk or when you needed a shoulder to cry on. She was always your biggest fan. She was always there when you needed her, no matter what it was for. I will forever cherish the great times I had with her and hold all the great memories in my heart. She was an angel on earth and now she is our angel in heaven and is missed so much!*

“ *A Mother Is a best friend.
A Mother is a rock you can lean on.
A Mother Is one you can talk to about anything that's on your mind.
A Mother is one to get advise from.
To our Mother, Grandmother and wife, due to her illness she fought a hard fight to spend all the time she could with her family. She is missed greatly but she's resting peacefully now and will never be forgotten.
The Lord called her home as he had different plans for her, so to our Mother, Grandma and Wife, We all Love and Miss you and all that you have instilled in all of us will shine in our lives every day.*
