“ *When Dale and I first met I told him we were going to be together. He asked me how I knew and I replied i just know. It's going on 2 years we have been together. He completed me, he always has the right things to say when I was upset or sad. He made me laugh many times. Life isn't going to be easy with you not on earth Dale. You were my peanut butter to my jelly. I love you to the moon and back booboo!*
