“ Oh Dale can't believe you are gone. Even though we haven't seen each other in quite awhile WE had a bond like no other. Being with you on that tragic day in Oct of 86 is one you should not have had to endure. A year never went by that we didn't chat on that day and also Lisa's birthday. ❤️

You were an amazing strong woman! I know It was time to go be with your sweet

Lisa and Nenad. You will be missed very much, but will live on through Samantha and John and all those beautiful grandchildren.

You adored them and they YOU. We all did. RIP my special lady.

Love you always. Kathy
