“ Our thoughts and prayers go to the Dreggors family. It was a pleasure to walk out on the softball fields with Dane weather it was B P or game time. Dane will always be remembered for his wit and abilities on the field. It was great to see a father and son play ball together.

“ Keith & family...

I am so sorry for your loss and shocked to hear this news. I felt privileged to have gotten to know Dane and even more so to be his little league coach for a few years. He was such a fine, young man...a great athlete...and he will be sadly missed. The memories of watching him and coaching him on the baseball field will live with me forever. He made a lasting impression on my life as did your friendship. I will continue to lift your family up in prayer and ask that God walk with you and carry your family through this terrible storm. I ask for strength, healing, comfort, peace and understanding during this terrible time in Christ's name. May you all hold on to each other...love each other...and never forget. I love you all. If I can be of any assistance in any way, please don't hesitate to contact me.

Continued prayers...

“ *Dreggors family,
We are so sorry for your loss. Your son coached our son, Luke Pike,
with the Angels. Luke looked up to Dane and loved him very much.
Dane belived in Luke and Luke knew it. Angels baseball will never
be the same for our family. Your son was full of fun and excitement.
And, he made a difference in our little guy's life.*

You and your family will forever be in our hearts and prayers,

*Lisa, Keith, Lauren- Even though we were not privileged to know Dane
we do know the pain your heart is experiencing. When the questions
seem to never have answers, peace comes from remembering God
knows your pain, your questions, your hesitancy to give Dane back to
him. May you experience our Father's comfort as you grieve and as
you have days of longing to see Dane again here on earth. Allow
yourselves time to grieve and work through this journey that will seem
endless. With love and sympathy. Dwayne and Lori Dabbs' parents, Bill

“ Mr. & Mrs. Keith Dreggors,

I am so very sorry to hear of your loss. I work with World Changers, and I wanted you to know that Dane, in serving with World Changers in St. Louis and Neptune, invested so much in the lives of residents of those cities. Young people who are willing to give of themselves in today's world are a rarity. We are blessed to have had him serve at our projects. You and your family are in our prayers.

Thank you for your kind words. Dane loved serving in World Changers, so much so that one time money was tight to meet the fee and he used all of his birthday money in order to go and serve. Please continue to remember us in your prayers as our hearts are broken.
