“ Pat,

*What can I say, there are no words!*

*I just finally put the pieces together as I read the last Facebook post! I am so sorry, I did not know. I would have been there to pay my last respects. It is sad for all of us left behind, but the two of you have forged on and run the race and fought the good fight of faith.*

*He is indeed that God has needed up in heaven! I remember our connection to Toronto and our remembrances of “soaking”. We would always discuss the meetings in your house and his amazement at what God was doing.*

*Even though I really haven't been in your lives for years I have been able to follow you on Facebook and have loved seeing the love of others for you and Dan! He is in heaven now and I am sure he is smiling. Thank-you Dan for your love and thank-you Holy Spirit for residing with Dan and Pat as they continue their journey in you.*

*Pat you are loved! Bless you.*

*Add me to the list of one that will miss Dan...*
