“ *I can't tell you how sorry we are in the Staffing office that we cannot be there with you. We just learned of the service time today. I mentioned you in prayer today with all the supervisors, managers and administration. I have no idea what to say except I can not imagine the sorrow you both are going through. We want to send you food to the house instead of flowers. Please call me at your earliest convenience to let us know what we can do.*

*We love both of you,
