“ I am terribly saddened to hear this news - we were together for most of HS and sometime afterwards...man we had so much fun together! We used to do the craziest things.....Ahhh, youth. I have replayed the memories all throughout my adult life - what can you say about your first love but that it was incredible and has such a warm and untouchable place in your heart! Mr. Darryl and Miss Linda, I am so sorry for this unbearable loss.

“ My heart hurts hearing this news. He was always like a brother growing up. Even went to work at farmland hydro years ago because he was there. Danny was funny, caring, loving, and I knew if I needed him, he would be there. Praying for his family. Mike

Mrs. Conger, I am so sorry and very sad to hear that! Mike spent a lot of time with our family through the years growing up playing our version of 'war games' on our property - helping wrangle the ducks and falling into the cold pond (my dad still talks about that), riding 3 wheelers.... we always had a blast with him around! We all have some great memories of him.
