“ Our thoughts and prayers are with the family at this time. David and Jean were Grandpa and Grandma to our son Jeremy since the age of 1 when they became his adopted grandparents. They took care of him as if he was a blood relative. They were the best baby sitters a person could ask for. Thanks from the bottom of our hearts for all the wonderful years that we were treated as family. You will be missed. We will always love you both.

Daddy, You were the sanity to me in this world. The words can't express the way I miss you. You were my teacher, I thank you for choosing me as your daughter. I miss you and mama and look forward to seeing you one day. I love you.

David was a brilliant man who was married to my mother Jean Berry Belveal Sr, until cancer took her in 2013. They had 31 years together and it was the best part of my life. David took the role of an angel in my life when he chose to adopt me and my sister. He welcomed all my siblings, adopted others, and truly was a man I believe, sits on the Lords right hand. If ever I knew there was God, it was because after meeting him, there was no doubt. To list all his children would be a challenge. His grandchildren and great grandchildren are extensive. I know they miss you to papa. You truly were one of the greatest men alive, and you were the light in our house.
