“ I knew David from Pinecrest through our graduation at Plant City, I always thought of him as a gentle giant. He was quiet, kind and had a very good sense of humor. I've thought of him often, wondering how he was doing and whether he had a family. I see now the kind boy I knew growing up, truly was a gentle giant with a wonderful family. I am so very sorry your loss and my prayers are with you all -

“ David, I have memories of you & Wayne from when I was a little girl. I was elated to have gotten reacquainted at the lake. It won't be the same without our fishin' buddy at Kissimmee! Don't know how we'll ever find the fish on the beds without you. You will be in our mind and in our hearts every time we are there. Our prayers to your family...you will be greatly missed. Love, Larry & Rachael Walls (Cliston & Rita Sumner's daughter)

“ *i will always remember David as the cutest and most fearless little boy.i can still remember Pa saying, COOTER COULD TEAR UP A STEEL BALL
David grew to become a great husband, daddy and papa that any parent would be proud of.i know that he is having a grand reunion with loved ones, especially his parents who he lost way too soon, my heart goes out to his loved ones left behind. rest in peace David
love you,

“ David

We hit it off the first time we met and we really had some Great times together. We went on some really great Deer Hunts to North Florida and South Carolina. We Turkey Hunted and we fished some of the Best Bass Pits ever and you have been one of my Best Friends. Our trips to Lake Kissimmee air boating and spec fishing were always fun . You taught me so much about all of it, I will forever be Grateful for the Time we spent together. We laughed and we told Jokes . You always had a great sense of Humor.

You were a Great Father and Husband and you were for Me a Great Friend that I will miss more than these words can say. You were one of a very few that I knew if I needed Help I could Call you and it would not Matter where you were or what you were doing, you would come running to help. I can't tell you how much that meant to me. Thanks for being my friend.

You were a true southern gentleman.

*love you man

“ On Friday the sky got dark and the Wind just went to whipping out of nowhere,
Just after that Ben called Mark to tell us you had passed, I felt chills and thought Well there goes David raising cane on his airboat in Heaven already,
Boy You went in a sliding side ways.....

David you will be Greatly Missed By your Family and Friends you were a wonderful Man although we only got together a few times, I always thought you were such a Super Nice guy and you could see where Ben get's it from..... You a Debbie raise a couple of great Kids and they will I am sure take what you taught them and pass it onto your Grand babies.....

R.I.P. David and go slide in the sky..... Everytime the wind blows I will think of you.
