“ David was a long-standing member of our Seffner/Mango community and did not know a stranger. He always had a story to tell. He worked very hard in his handyman and lawn service business. Through the good and the bad David never gave up and said if it wasn't for God he would not be here. He will live on in our memories.

I first met David. In the church parking lot. He was always kind and willing to talk to anyone. David will truly be missed. I was always glad to see him at the Chapel. I pray that the family will have peace that passes understanding.
