“ I taught at Tomlin with David. I remember he enjoyed teaching art and working with students to encourage their appreciation and love of art. His love of family and his friendships within the Tomlin faculty were appreciated by all who knew him. He was a compassionate teacher who influenced many lives. Rest in peace.

“ Mr. Hubay was definitely an amazing teacher and I enjoyed his teaching tactics. I was in his class the year his son, David Jr, got killed and we were all so saddened for him, his wife, and his daughter. He is one of the few teachers I've had that I still think about after all these years. You never forget such an incredible teacher as well as such a sweet human in general. He was loved and admired by students over decades of time. May he rest in paradise with his son and we will all miss him. Thank you Mr. Hubay for your wonderful years of teaching and for being a mentor to those who shared your passion for the arts. Paint the heavens with the most beautiful colors that reflect your soul. RIP 🥹🙏💔

“ I met Mr Hubay in art class at Tomlin Jr High 80-81, definitely top 3 nicest teacher EVER!
Got to know him even better playing soccer with his kids David and Aimee.
Both he and his wife were truly wonderful and genuine.
He and David are catching up now.
All my love and prayers to the Hubay ladies!
