

Mr. David Wayne Lee

October 23, 1957 - February 25, 2017

David Lee, 59, completed his earthly journey on February 25, 2017, leaving his 2 children Allison and Brett, fiancée Sharon Newbern, sister Barbara Brand, brother Dawes Lee, grandchildren Zoe and Leah Pride and numerous nieces and nephews.

David grew up in Richmond, Virginia where he graduated from Highland Springs High in 1976. The youngest of 3 children, David was known for being a bit of a wild child in his youth. He would often reflect how lucky he was get through those younger years and go on to lead the life that he led, which resulted in 2 kids he was very proud...2 grandchildren and a list of friends too long to quantify.

David worked in sales for much of his life, which matched up very well with his outgoing and relatable personality. He spent most of those working years with Atlantech Distribution as both a outside salesman and branch manager (the position that resulted in him relocating to FL). He was very thankful for the way that Atlantech treated him throughout his professional career and into the time where he was battling the illness that took his life.

David had the incredible ability to make whoever he touched along his life journey a friend. He lived life to the fullest and his energy was contagious. Interests included spending time with loved ones, golf, fishing and cheering on

his beloved Hokies. He will be most remembered for being a loving father and his incredibly infectious personality.

Rest in peace our love, we will see you on the other side.

There will be a private Celebration of Life at his home.

“ To Sharon, Brett, Allison, and the rest of David's family:

My name is Ray Grumbine; I work in sales for Atlantech in Elkridge, MD.

I knew David before our time with Atlantech. He was still in VA, and working in sales for Lasco, and I was working for one of his accounts. He came in my office one day, sat down, and said he wasn't leaving until he got an order. So, of course I told him he was going to be there a good while! But, you know he left with an order!

A couple years later, I knew he was working for P.H. Sales, which is now Atlantech., and I was considering a position with them. I was on the fence with my decision. After talking with David, he convinced me that it was a great opportunity. Twenty two years later, I am still here.

After David moved to Florida, I only got to see him once or twice a year, at managers meetings. But one summer, I was vacationing in Orlando , and we got together for a round of golf. I don't remember the course, but we had a great time hacking it up in the 95 degree sweltering heat!

I remember David's work hard/ play hard attitude, sly wit, and zest for life! This world has lost a great character! He is definitely leaving us too soon. My condolences to all of you. May you hold onto lasting memories of all the great times you had with him!

“ *Sincere condolences to David's family. I knew David since the 1980's and although at times we had years go by before we spoke to each other, it was always easy to reconnect and reminisce on good times. Godspeed David!*
