“ My family and I are saddened to learn of Dave’s passing last November. We met Dave through my dad, Hubert Hendon and my mom, Sharon Hendon. My dad and Dave used to just laugh together. They were kind souls who seemed like kindred spirits. When my dad passed, I remember how Dave grieved with my family and me. His kindness is needed here now more than ever. But, I suppose he is sharing his joy and light, and maybe some of that great humor and unwavering kindness. For all who love Dave, my deepest condolences for your immense loss. Sending continued love and strength.

Dave was my service advisor at Jarrett Ford Lincoln. He was and is an amazing person. A heart of gold and a wonderful smiling personality. Dave Always went above and beyond to help everyone. The world is dimmer without him but Heaven is brighter with Dave there
My deepest condolences to The Metzler family. Celebrate Dave's Life not his Passing.
Sincerely,
