“ I served with David in CAP when I was in the MacDill Cadet Squadron. Although only three years older than me, he seemed much older with his knowledge and military bearing. I hadn't seen him since then but I've always appreciated him. God bless you, Dave, and thank you for your service.

“ I know that it has now been years, but I want to say that I was friends with Dave in Civil Air Patrol in Tampa. I also lived in South Tampa and Graduated from Robinson, I remember from his class ring that he graduated in 71.

So sorry - I will post to the Memorial posts on the Robinson Facebook page.
