“ *Debbi was an amazing person, touched many lives, and loved with her whole heart. There are a few people I know whose life will forever have a piece missing without her. Although I spent only a short time with Debbi, it made me realize why she was so deeply loved. I am grateful I met her and had the time I did have with her. She was a blessing to us all.*

“ I was so happy when Debbi joined HPS HR dept. she always made me laugh. I will never forget our trips to Starbucks to get her Chi Tea and the line was always so long but we'd get laughing or the times we'd go to Macy's for a pocketbook sales. Debbi would buy small ones and I got much larger ones. Debbi would always say that's to big. I will miss her but heaven has gained a very special angel. Till we meet again

“ Hard to find the right words, so sad. I appreciate the time we had, carpooling, going to lunch, talking about WW success and struggles, our chats about family and the ups and downs of life. You will be missed terribly.
