“ Mrs. Debbie was a very special person. She had a kind loving spirit even when she was going through it and always willing to listen and give advise. She was a second mother to my son Michael an employee of hers. I will never forgot the love and kindness she showed to him from day one. You don't find many people of this magnitude anymore. I know she is in peace with the Lord and will be watching over all of us. She will forever be in our hearts.

*Debbie and I were not only Customer/Vendors. We became instant friends. She wouldn't only just call to place pigment orders with me. We had a bond. Debbie mentioned to me, "She felt as if we knew each other all our lives." I felt the same. Cincinnati was on her bucket list to come visit, and get to finally meet. Well My Sweet Friend. We will meet in eternal life. For now please rest in peace. I miss you. We will continue our conversations at a later date. Love You*
