“ *This news breaks my heart. I loved Mrs. Snider and have thought of her often after graduation. She was truly the best teacher. I remember her calling me out once when I was lying about some schoolwork. It was so important to me. She cared, and challenged me more than any teacher that I probably ever had, and I have never forgotten that. She loved her job and her students, and it showed. We respected her greatly because of it. Thank you, Mrs. Snider, for being the best of the best, and for your encouragement that has lasted a lifetime. With eternally grateful love. I pray that you are dancing with Jesus now.*

“ *As a colleague and friend of Debby Snider, I just want to say that she was an outstanding role model, mentor, and friend to me and everyone else she worked with here at New Palestine High School. She was never too busy to listen or lend a helping hand and had a wonderful sense of humor. When I think of Debby, it is always with a smile.*

“ How many times we spent together with the "Fabulous Six". Oh the good times we had and the many many laughs. These memories I shall always cherish. As well as your precious doll you gave me. My "Debby" doll is always in sight. My dear friend, you are with me always. To your family I will pray for God's comforting arms to give them peace. Until I see you again, bath in the glory of our Lord with no more pain. RIP Debby.

“ To Alan and Family....my memories of Debbie go back to growing up just down the road from her family in New Palestine, IN. I then got to know Debbie more personally as a colleague while teaching at New Palestine High School. Debbie always showed professionalism, passion, and a caring attitude in her teaching. She always wore a smile. My prayers will be with your family as you celebrate her life.
