“ Dear Ray, Melody, Gidget and families.

Our hearts are so sad at the passing of our friend Delores Glover. She was one of the sweetest, kindest people we know, and a genuinely caring person. We loved her dearly, and felt her love to our family in return. We spent many years in worship together at Cedar Grove Baptist Church. She was so dedicated to her beautiful ministry of music, her talent was one of those that just seemed to come so natural to her. We all looked forward to hearing what she would play for the offertory special, you knew it would be a blessing. She will be greatly missed.

The love she had for her family was so apparent, she shared it often. We pray God's grace and peace to you in the days to come. Lean on Him, we know He will supply you with a strength like none you have ever known.

Love and prayers.

“ Richard Swilley: What can I say about Mrs. Deloris? I can't say anything that all don't know. She was and is one of the most sensative and loving people I have know. I have worked and served with Mrs. Deloris for several years in the music at Cedar Grove Baptist Church. Serving together was always a highlight of my week. She had a lessoning ear and a compassionate heart. She cared for those in need and helped a lot of people and only she and those she helped knew about it. I am going to miss Mrs. Deloris and serving with her. A Sunday will not go by that want leave a hole in our spirits. I am thankful the Mrs. Deloris knew Christ as her Savior for I know she is with Jesus and visiting with those she has missed. Ray, Melody and Gidget and family our hearts break because we will miss her but more over is the hole that will be left in your lives. God Bless and lift you during this troubling time.

*Love You Mrs. Deloris

“ *My thoughts and prayer go out to Ray, Melody and Gidget, may you find peace in knowing that she is home. Remember her playing the piano at Cedar Grove and of course I went to school with Melody and worked with Gidget. God Bless each of you as you go through this trying time. May GOD wrap his arms around you and bring you strength.*

“ What a Treasure this wold has lost. I will always hold precious memories of playing the piano with Delores at Cedar Grove, especially those duets that everyone seemed to enjoy so much. I can't help but think heaven is a little sweeter this morning with her presence. Praying that God will wrap His comforting arms around Ray, Melody and Gidget in the days ahead as they cope with the loss of a beautiful wife, mother and grandmother. Steve Smith
