“ God saw you getting tired. When a cure was not to be. So he wrapped his arms around you and whispered “come with me”. You didn’t deserve what you went through, and so he gave you rest. God makes no mistakes, he only takes the best.

*I love you papa.*

“ I have many from having the pleasure of growing up in Durant.As an adult working at all the Mosaic plants most every time that I worked at his plant I would always sit with him in a all screen in area and we would drink about a gallon of coffee and just simply have some great conversations.And he alway made sure I ate before I snuck off back to work
