“ Sara and family,
So very sorry to hear bout your papaw. I know how you feel and I know Courtney knows how you are feeling right now too. We are sad, we won't get to see them or hear them again, but we are happy that they are walking in Gods presence now. Rejoicing in heaven. Remember, they (he) will be with you in your heart forever. We can't be selfish and want them here, what kind of life is that compared to the life they have now in heaven, without sickness, sorrow. They are rejoicing on those streets of gold with their family that went before them. I know my daddy hadn't seen his momma since he was 18, a senior in high school.
Just remember we are thinking about you, love you and have you in our hearts thru this. Be strong, let the tears flow, cause they are not of selfishness but of joy that our loved ones are now in heaven...a lifelong goal accomplished.
Love ya girl, Kim Bustetter and Family
