“ It said share a memory and all I did was share how in shock I was..... Well where should I start me sneaking you in my house at night the fact that you were my very first kiss or that you were the first guy I ever fell for and pushed away. Either way we had alot of memories together and I'll never forget that Titus 🥺 much love always

“ *I only knew Devin for a short time, but he was a very genuine, honest, and caring person. It was a pleasure to have known him, both at work and away. I will miss him dearly.*
