“ Diane was the leader of our Cancer Support group. She was the kindest and most thoughtful person, and she was a great help to the survivors. When she did not contact me about Relay For Life, I sent her an email and when she did not respond, I knew something was wrong because her support was always reliable. I checked and saw that she had crossed over.  
May she rest in peace.

“ *Diane, was a wonderful Lady ! I got to know her in 1990 when she was one on my Den Leaders in the Cub Scouts. She was always faithful, took her responsibilities very seriously( always was prepared to work and play with the boys), and would serve on any committee or plan any special occasion. She really loved her sons-T.J. and Timmy! I always would smile at how at that time in their lives she would come to the scout meetings and would be exasperated by what the boys had done that day ! We also attended church at Turkey Creek First Baptist with Diane, the boys and her Mother. Our loss is Heaven's gain; we are all so much better people as a result of being able to share in the love she gave to everyone who was blessed to know her ! I look forward to seeing her again in Heaven !*

“ We instantly became friends when we worked together back in the UAP days. We have traveled together for business, and also for pleasure. My most memorable thoughts of you are going to be the recent times we shared rocking in the rocking chairs after eating dinner at Cracker Barrell. I will always cherish those moments and so many more. Diane was a blessing to my life and a a lifetime best friend. I love you my friend and one day we will be sitting on heavens porch in rocking chairs catching up.

*My thoughts and prayers are with the family.*

*Blessed to be your friend

“ I will always remember Diane's sweet smile and caring ways. But most of all I will remember her strong faith in her Lord and Savior. She was such an encouragement to so many during the last years of her life on this earth. God bless you Chris and family as you mourn the passing of your precious loved one. We know we have only lost her temporarily, for we know exactly where she is and that we will see her again in Heaven.

Love,
