“ We will miss Diane and all of us at Foster extend our condolences to her family. Diane was a caring person for everyone she interacted with. Integrity was important and she lived it daily. She was also a straight-forward person and told it like it was. She had a spunky personality. It made her fun and enjoyable to be around.

One thing that came thru loud and clear is that she loved her family. She talked about her sisters, children & she loved her Grandbabies with all her heart.

Not only was Diane a quality friend; she was fantastic at her work with many years of experience. She always offered help to those in need. She helped me many times and I always felt welcomed when asking.

Diane you will be missed and always remembered.

Your Friend,

Parish

“ Diane was my Aunt but being only 5 yrs older than me & the same as as my Sister Angela. She also had 2 older sisters Sherry & Cindy & again all pretty close in age so we all pretty much grew up together & even though i was only a few yrs younger i was the youngest still.. As kids being the younger 1 of the group i was always the one that got left out & picked on & that being said was always the 1 that was the taddle tail of the bunch i figured if they were gonna leave me out of the group then i was gonna be the 1 that got them in trouble when i would ease drop on them & find out things they had done that i knew would get them in trouble so be mean to me pick on me & i'm gonna retaliate was how i saw things.. But as we got older & also with the help of my Uncle Maurice (my Aunt Cindys husband) feeling sorry for me things did begin to change & with that change we all became pretty close & we all loved each other very much & looking back on our younger years we have had alot of laughs about how things were which is always a good thing.. As adults they have been nothing but good to me & Diane & I had some really good times together that I will never forget.. She was a great person a loving, caring, & funny person who i know touched so many hearts.. She was so young & its so sad that she was taken from us so soon but I know that there is a bigger plan for her where she is now a much better place at that where she will suffer no more 😊.. She will be missed so much but i know she will never be forgotten because she was so special..

AUNT DIANE

I LOVE YOU & WILL MISS YOU BUT ONLY UNTIL I SEE YOU
AGAIN ONE DAY MAY YOU REST IN PEACE

LOVE ALWAYS,

YOUR NIECE GLORIA 💖
