“ You have been fighting this cancer for a long time. I am so sorry it happened this way but I kept praying for the Lord to not let you suffer and for His will to be done. You are not in anymore pain but in a wonderful place HEAVEN. You will be missed by your family and friends and I pray that God will give each and everyone the strength they need at this time and the days to come. I know what they are going through.....but you just take one day at a time and make it thru with God's help. I am always here for you sis - any time day or night. I love all of you.

“ Tommy was a noticeable pillar for his family and many others. He was such a good man that always had something fun to add to any situation. He was always quick to volunteer when needed and had a reputation that stood taller than any mountain. His family is extremely dear to me and my family, we loved Tommy so much and we will continue to love the memories we were able to share over the years we have known him. It was an honor and a blessing to know Tommy Johnson.
