“ *My heart is with my Family. My memories of my Uncle Donald were so filled with laughter! He had such a great sense of humor and I loved being around him and Aunt Frances. He will be so missed by all who had the joy of knowing him! See you soon Uncle, tell my Granny I'll see her soon too!*

“ Dear Aunt Frances –

*Please accept our condolences on the passing of Uncle Donald. I know mere words may offer but little comfort at this sad time, but know that our deepest feelings of sympathy lie with you and your family. It seems like since we moved out of State we've lost touch a bit, but we always think of you all. Those Summer days when you all lived next to Grandma and Grandpa are full of cherished memories.*

*I remember times when Uncle Donald would take me and Lynndell to get Slurpies. Uncle Donald had a smile so wide that his eyes would sparkle and it would automatically make you smile too. Every time I look at a piece of tile, I will remember his smile. We'll all miss Uncle Donald very much. He was a wonderful uncle and I know he was a great father. You can see that in the successful children that you have raised.*

*Please let the rest of your family know how sorry that we are that we will not be able to attend the celebration of his life. We are thinking of you all and praying for you constantly.*

*With deepest sympathies,*

*Your niece,*

*Ellen Fowler and family*
