“ We have been friends with Don and his family for a very long time and have many happy memories. There are stories about spiral staircases, Jaycee sack races, bolting together feed bins, boat riding and skiing at the lake, ironing blue jeans, fishing with Don and Carl and Earl, our son babysat Lance and our daughters grew up together and Don and Sandra helped us celebrate our 50th anniversary. Hope thinking about the good times will help. There is a phrase that has helped to comfort us in times like these. "The love we give and receive is all that matters and all that is remembered. Suffering disappears, Love remains" Love, Randy and Barbara Bailey

“ So sorry to hear of Donald's passing. We go way back, going to school together then he and Leo worked together as Ironworkers. Leo also fished tournaments with Robert Neal. Would only see Donald at our reunions which we couldn't have last year, was always fun to be around and a great friend
Our thoughts and prayers are with the family. With love, Leo and Ginger Houck

“ I’m so sorry to hear this devastating news. My sympathy and thoughts and prayers are with you all.
I have so many wonderful memories of occasions I’ve spent with Don and Sandra and Don. I thank you for the special time at his Birthday party with his family. And of course the many reunions we all attended. One of the oldest memories I have is sitting next to Don in 12th grade “general math” class. We needed another math to graduate. It was such a laid back, crazy class, and full of laughs. I will always remember Don with love, fondness and friendship. God bless and be with you all.
