“ Don and I met at Clear Water Park in 1964. We were very good friends for the past 58 years. We were classmates at Fairmount High School and had many wonderful adventures together such as Indiana Beach and cruising Custers and Azars! We were two parts of a Three Muskateers! Rest well old friend, you have earned it! Our condolences to Don's family from Ben & Marcia Richey

“ 12 months ago I started a painting class at Lake Howard Heights taught by Don This was the first time ever that I had painted anything and upon completion I was informed by Don that I had a talent for painting Under his guidance I completed another painting and just started the third one. I owe my new passion for art to Don and with with the knowledge I gained under his teaching I hope to continue my new hobby. You also became a new friend and will be greatly missed.RIP my friend Edward Anderson

“ Don & I have been Friends for many years. We both Graduated from Fairmount High School in Fairmount, Indiana. In our younger Days we hung out together in my Old 1951 Chevy. I remember once I ran out of Gas and he and others pushed me around the corner to Hackney's Filing Station to get Gas. For the last several years he came back Home to Fairmount and He and I would meet at the Coffee Shop called the Branch for breakfast. I am going to really miss him. We had a lot of Great Memories together. My Wife and I will keep his Family and Kids in our Prayers. God bless all of you!! Rest In Peace my Good Friend. Jake & Marilyn Roth
