“ We were saddend to hear of Uncle Donald's passing. I always enjoyed talking with him whenever the opportunity occured. I remember him from a very young age when we all lived outside Mulberry in the same neighborhood. He was always so laid-back, easy going, and calm. He and Aunt Inez always made you feel welcome in their home. Now that I'm retired, I can really appreciate the fact the he enjoyed many years of good retirement after a successful work career. I know he'll be sorely missed by all that knew him, I also know he was a blessed man in his long and devoted life.

*Our love to the family,
