“ I am so sorry for your loss Roxeanne. Donna and I where YMCA water aerobics buddy’s. We talked on the phone in the past months but I guess I didn’t realize it was this bad. I know you and he girls will miss her so very much she talked about ya’ll often.

I don’t know if u remember coming to my house with Donna and the girls to see the baby squirrels I had rescued after one of the hurricanes.

Donna you called several times in the past month I’m so sorry I didn’t get back to you. I had several surgeries myself in the past few years myself. Was always going to come see the pool you were so proud of it. Again I feel horrible, I wished I would have been able to say good..

See you in heaven my friend.

“ Ms. Donna was a truly special lady and I really enjoyed when she would stop by for a visit. She never minded the noise or chaos a dozen dogs might bring, she truly loved them all. I am sure now she is helping those who need it cross the rainbow bridge and making sure none walk alone.

I am so, so sad to see this news. Donna and I were best friends when we were little, bitty girls back in the 50's. My condolences to Lori and the the rest of the family.
