“ I'll miss him.. Was a great friend and neighbor. Saved my life that day I smashed my finger and was bleeding like crazy all over the place, funny thing about that I skipped school and that was the first thing he said when I ran to y'all's house bleeding like crazy.

“ I'll miss our talks sitting in the barn, watching Darrell work on the old red truck. Or your phone calls, asking about Darrell's tournaments. I'm honored I got to talk about Jesus with you, and that you let me pray with and for you. I loved that you called me dear, and called RD, RW. We'll miss you here, but I know your pain has been erased and you are reaping the rewards of Heaven. Until we meet again.
