“ Marsha and Dodie, I loved your mother! I am so glad that I got to be around her these last few years beginning with our Cozumel cruise two years ago. She was funny, very witty, and certainly loved her ice cream. I will always remember her fondly. You two, and Billy, took very good care of her and I know she knew this and appreciated it. Love to all of you- Marion Smith

“ *Dora was like a Mother to me and if she loved me less than Dodie or Marsha it did not show. I love her and will miss her terrible. When I married Marsha 40 years ago I weighed 149 lbs. She was such a great cook over the years she pretty much fixed that. I can not believe she is gone.*

My heart is broken, My love for Dora can't even be expressed. Her hugs and smiles got me through many an insecure moment in my life - especially with theater. Love as pure as hers is rare. If anyone ever taught me the importance of kindness, a smile and hug, it was her. Dodie and Marsha - I am sending tons of love and prayers to both of you.

Dora and I became friends 54 years ago when my late husband and I were living in Valrico. When we moved to Plant City a few years later she became my first Plant City friend. She was a beautiful lady in every sense of the word. She had a huge heart, a keen sense of humor and was ever supportive in times of need. I will miss her loving smile and her kind and gentle words. The world is a better place because she lived in it.
