“ My sister and best friend, I still can't believe that you are not with us anymore. You taught me so many things thru out my life. You were always the one that I could talk to no matter what it was. I knew that I could always count on you. We had alot of fun times together. I promise you that I will always be there for the girls and Ducky and of course your beautiful grand babies. Please give Dad a hug for me. You will always be my best friend and loving sister. Until we meet again. Love you Doer to the moon and back....

“ So sorry for your loss - from 'the Roy girls' (of course different names now, except for Deb, from up here in Massachusetts. Most of us knew each other and hung around in HS (and after).  
I'm sorry Dorene had to go through her illness and pain. Too young...  
And of course that you, her family and close friends went through this along with her <3  
Our thoughts and prayers are with all of you.  
Please let us know if we can do anything.  
Love, from us. x o
