“ My heart aches for all of us who have lost a bright light in our lives. Doris was family, my sister, my friend. We shared many memories good and bad. She was a wonderful sister, a true friend. There will always be an empty space in my heart that no one can fill. I'm happy for you that you aren't suffering anymore. You were the strongest woman I have ever met. Love you sis until we meet in heaven give everyone a hug for me. Your big sis Janet
