“ *Too family of Mrs Going
May you find peace at this most difficult time. I knew Mrs Going from the many Basketball games she and her Mother attended watching their Planters, Raiders play.
They were always there in the same seats for years on end cheering them on. They also helped the Refs call the games' They were known all around the county for their support of their high school basketball.
They were special in many ways and I will always think of them when there is a game to play.*
