“ *Doris was a wonderful Mother, Grandmother, and Friend. I remember the times I was invited to come over to Diane's house and Doris and Jack were there, and Jack would always make me laugh, telling his jokes, and Doris would just laugh. I had so much fun being around them. I remember one time Doris would tell me that everything happens for a reason, and she would say always lean on the Lord, that He is always there for us when no one else is. She was a very wise woman, and she loved the Lord very much. I loss tough with her but then I saw her life through Facebook. I loved seeing pictures of her and seeing the love her family had for her. She will be missed. I love you Ms Doris, and give Mr Jack a hug for me. I love you and your family very much!*

“ *It is so hard to watch the matriarch of your family end their earthly book of life and begin their journey to the other side. I find peace in knowing that goodbye is never an option when our lives are devoted to the Lord and Savior Jesus Christ. My Mema was a Godly woman who loved her quiet times with her heavenly father and who raised her family to follow Him. My selfish desires for another hug, another kiss, and another "i love you babydoll" could never make me want to take away the homecoming she received when she entered those pearly gates. I love you so much Mema and I know that even from Heaven you could "never be done with that baby". See you soon. XOXOXO*

“ *Carrabbas, birthdays, cake and candles. Being a prayer warrior for my family whenever there was a need. Those are my Mema memories . Rest and worship at the feet of Jesus. I will see you again and my life is better because of the gifts of yourself you have shared. Love you and those memories*
