“ I have so many wonderful memories of my Aunt Doris - all those home perms she gave me when I was a little girl, cooking those delicious country meals, spending time with her and Uncle James in the barn and strawberry field. She was the hardest working woman and loved all of us like her own. Even in her last days, she asked how my husband was feeling. We'll see you again one day Aunt Doris - - prayers to Uncle James and the rest of the family. Love to all of you!

Remember so well our summers at aunt Doris' and uncle James'. I had to behave, she looked just like my mom, Dorothy. Loved her so. I am happy she is no longer in pain, but rejoicing with our heavenly father. Prayers for her family as they face the days ahead, missing her. Thank you Lord for her family and for the care they have given the in her last days on this earth. I know she would not return, if she could. We live our Christian waiting for the day we are called home. That is why as Christians we should live each day as it were our last. God Bless this family.
